RE: Assembly Bill 467 - Oppose Unless Amended

Dear Assembly Member Gonzalez,

We are writing you today to urge you to help amend Assembly Bill 467. We are concerned that AB 467 will encourage event businesses and athletic organizations to exclude female categories from athletic competitions in an effort to thwart equal pay requirements and reduce costs. We urge the committee to amend the bill and correct these unintended consequences. Please don't incentivize gender-based discrimination.

We agree with the concerns raised by the Committee for Equity in Women's Surfing. Please amend AB 467 to require that athletic competitions be consistent with the Unruh Civil Rights Act and we recommend amending AB 467 to include the following:

- (A) "Competition" means competition or tournament on lands owned by the state and managed by the department.
  - (B) "Prize compensation" includes purse money, other awards, honors, gifts, rewards, goods, or other payment.
  - (C) "Event" means a segment of a competition such as a heat, race, or match, or game.
- (2) The department/commission, shall require compliance with California non-discriminatory practices for individuals or groups protected by the California Unruh Civil Rights Act as a condition of a permit/lease, for a competition that awards prize compensation to competitors. Prize compensation shall be identical for all categories at each participant level. Event playing time shall be identical for each category, for a competition that awards prize compensation to competitors. The department/commission shall not approve a permit/lease for an event that does not comply with this condition.

Unfair business practices prevent professional female athletes from utilizing public resources. Please act to ensure that AB 467 provides the oversight necessary to stop decades of gender-based discrimination.

Thank you for your consideration and your support!

Sincerely,

Founder and President, Beth Pielert and The Staff of Good Film Works
